BS Computer Science Govt Degree 1 College D.I.Khan Dera Ismail Khan, KP, Pakistan / From September 2017 to August 2021

HSSC_Pre Engineering Iqra Education System School and College Tank Tank, KP, Pakistan / From April 2014 to April 2016

Work experience

Seo Expert Gomal Theme Software House Faisalabad / From September 2021 to July 2023
seasoned SEO specialist with a track record of successfully optimizing websites for companies in a variety of international markets, such as the US, Turkey, and the UK. I have a great deal of experience developing locally relevant and globally optimized SEO strategies, and I am based in Faisalabad. My knowledge is diversified, ranging from technology and e-commerce to healthcare and finance. I've continuously pushed my clients to the top of search engine results by utilizing a blend of cutting-edge strategies and in-depth market insights, which has resulted in significant improvements in organic traffic and conversions. With a strong desire to innovate and a dedication to achieving quantifiable outcomes, I'm excited to take on new tasks and keep having a significant influence in the always changing SEO industry.

Seo Executive Aan tourism Lahore / Since August 2023

An SEO specialist based in Lahore who specializes in enhancing the web visibility of specialized travel businesses, especially those catering to the UAE market. I bring unmatched experience to the table, having demonstrated my ability to rank extremely competitive tour experiences like skydiving in Abu Dhabi, desert safaris in Dubai, and famous monuments like the Dubai Frame and Big Bus Tours Abu Dhabi. My strategic strategy draws in discriminating tourists looking for unique experiences in the United Arab Emirates by fusing state-of-the-art SEO strategies with a thorough market study. Together, we can push your Lahore travel agency to the top of the UAE tourism market, giving it unmatched visibility and drawing in a constant flow of adventure-seeking tourists.
